

Dear Family:

I am now working in Unit 4 of the Foundations® program. I am pleased with the progress and I hope you are as well.

In this section, I teach one of the first spelling rules. It is called the **Bonus Letter Rule**. To read the word **puff**, one would only need the letters **puf**. For the word **hill** only the letters **hil** are needed. For the word **kiss**, you only need **kis**.

However, in our language when a one syllable word ends in an **f**, **l**, or **s**, a second **f**, **l**, or **s** is added when spelling the word. We call this a bonus letter.

Your child will also learn the sound of **all** as in **ball**, **tall** and **wall**. (This sound is written like this: /ól/). When there is a bonus letter after the letter **a**, the sound of **a** changes.

Homework for the next two weeks will include these new concepts. Remember, write any questions you may have and I shall get back to you.

Sincerely,

Homework Guide

Review the **bonus letters** (f, l, and s) and the sound of **all** - /òl/ with your child during the next 2 weeks.

Practice will be to tap and spell (tap and write) the words. Only **sounds** are tapped, therefore the bonus letters **f, l,** and **s** are not tapped. Example: the word **miss** will only have three taps.

If your child forgets the bonus letter, you may cue him or her by asking, “**What does a small word ending in f, l, or s need?**”

Follow These 4 Steps:

1. Dictate the word and have your child echo the word.
2. Have your child tap out the sounds. Remember, do not tap trick words (in bold).
3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. It is helpful if you say the letters as your child writes them.
