

This is Your Reference for Letter-Keyword-Sound

In addition to writing letters and knowing the letter name, your child is learning (or reviewing) the consonants and short vowel sounds using keywords.

Throughout the year I will send home more sounds for your child to learn. In school, we do a daily drill practicing these sounds. Right now, we are doing the sounds listed on this sheet.

Your child keeps a notebook at school with these keyword pictures. During the year, whenever your child cannot think of the sound that a letter makes, ask him or her to look at the keyword picture.

That is a hint for the sound. The sound is represented by a letter between //.

For the letter **a**, we use the keyword **apple**. This word helps your child know the sound /ă/. Whenever we practice these sounds, we say the letter name, the keyword, then the sound:

a - apple - /ă/

Do not hesitate to use the vocabulary words, short vowels and consonants. Your child is aware of their meaning as I use these terms in class.
